**Aim and Scope:** The International Conference on Innovative Trends In Information Technology (ICITIIT-20) aims at bringing together specialists and researchers who propose innovations in the field of the recent trends of Information Technology such as Data Science, IoT, Cloud, Edge, Fog, Blockchain, and so forth. The conference will include invited lectures covering the recent trends in ICT.

The key topics of the conference include (but not restricted to)

- IoT Cloud
- Data science, HPC Applications
- Security, Scheduling, or Theoretical Algorithms
- Power Profiling Methodologies
- Wireless Sensor Networks, P2P, Data Mining
- Performance Analysis Tools
- Theoretical Computer Science
- Green Technologies for Clouds/Grids/IoTs/MobileClouds
- Energy-aware Exa-scale technologies
- Smart Grid, Smart Intelligent Microcontroller,
- Smart E-Vehicle,
- Information Technology

**Submissions:** ICITIIT-20 invites submissions that have not been published and that are not under review by another conference or journal. All submissions will be reviewed for their technical soundness, originality, and the conference interests. Submissions must use IEEE format for conference proceedings (max.6 pages). **Submit to [submissions@iiitkottayam.ac.in](mailto:submissions@iiitkottayam.ac.in)**

**Proceedings:** Accepted papers will be submitted to IEEEExplore (IEEE-No:49094– ISBN: 978-1-7281-4210-4) for publications. Authors of selected papers will be invited to submit their extended versions to a special issue of SCI/non-SCI peer reviewed journals (if any).
